

Is your application headed for the trash? Or will you be one of the candidates who get an Interview?  
One mistake on an application could eliminate you from the interview pool.

However, a neatly and thoroughly completed application puts you in a good light and increases your chances of getting a call back.

Are you getting calls for interviews from your resume?

Is your resume marketing you well in this highly competitive job market?

Do you know how to target your next employer, and write a cover letter that will get you the interview?

Do you get butterflies before the interview?

Are you getting interviews; but not the job offer?

Have you written a Thank you note or follow up note that will seal the deal?
